Re: Estate of JLA v. The Town of Dewitt et. al. 5:22-cv-00287-MAD-MJK

Dear Judge Katz;

Pursuant to Local Rule §7.1 (a), this office conferred with opposing counsel regarding a proposed motion to amend the caption and complaint reflecting the recent dismissal of several parties, and joinder of NYSP employee, Sgt. Scott Brent, as a defendant.

Opposing counsel is not in agreement with this proposal and, therefore, motion practice is necessary. Due to the foregoing, I respectfully request the prerequisite conference prior to filing non-dispositive motions.

Thank you for your courtesy and consideration.

Respectfully yours,
